"The name was the easiest thing to come by. We were all on fire for the Lord and for starting this Community."

"Hearts were touched, eyes were opened, men's lives were changed!"

I would like to start off by saying what a blessing it was to serve on this walk.

I can only speak on behalf of the clergy team because the rest of the guys were just awesome! With that being said, the clergy team was awesome also! We prayed together, we served together, we dealt with situations together, in unison, on one accord, with one goal in mind, to glorify our God! Words cannot express the love that I have for each man on this clergy team and on this walk! Hearts were touched, eyes were opened, men's lives were changed! No matter how we got there, the ultimate goal was reached!

Glory to God, Thank you Jesus!

Spring Walks Updates

A Message from Brian Kelley and Lori Hines Lay Directors for the Walks of Spring 2018

I've only got one word for Men's Walk #95.... "AWE-some". I am in awe of the show that God put on for everyone that played a part in the weekend.

From the amazing men of God that He placed on team, to the open-hearted Pilgrims he brought to the campground, to the Agape love from the community through covering us in prayer, blessing us with agape gifts, and their unknowing presence at the camp throughout the weekend. I, personally, was blessed beyond words and couldn't begin to explain some of the things that went on over those three days. There will never be another Emmaus Walk like Men's Walk #95, but there can absolutely be one even better. So, I encourage those of you who have maybe stepped away or scaled back your involvement in the Burning Hearts community to re-engage. Prayerfully consider saying "Yes" when you get that call to serve on a Walk, sponsor those Pilgrims, attend those gatherings, sign-up to pray on those Prayer Vigils, and be those hands and feet of Christ! De Colores!

Walk 96 was a mountain top experience for both 33 pilgrims and 53 team members!

"There will never be another Emmaus Walk like Men's Walk #95"

"The King was in the camp!"

We were frequently reminded that "The King was in the Camp" and boy did He show up big time!! The pilgrims bonded quickly and took advantage of the discussions, prayer times, and talks with clergy as well as participated in fantastic artistic expressions of the talks. I'm praising God for changed lives, spiritual growth, and renewed commitments!

Blessings to all from Pastor Clint Fink. We have had a cold spring, but the warmth of the recent walks has warmed my spirit. I hope all are well and on fire for the Lord. The last gathering was especially nice with both men's and women's walks concluding with great success. We have been through a dry time of the spirit here in the Burning-Hearts Emmaus Community, but recently I have seen new faces and older faces with great encouragement for the future of this community.

I want everyone to remember that it is not for our glory, nor is it to be our great pleasure to ever lead this community with our bias's. I thank all the Spiritual teams who lead with great spiritual guidance through these past walks and into the future of the Emmaus community. Of course, the spiritual teams are just a portion of what it takes for God to show up at camp, but I thank you for your portion. For the entire community, remember that I love you with all my heart and more importantly, God loves you. Decolores!

Greetings Brothers and Sisters in Christ:

Another successful set of walks at Hanging Rock. God showed up in a mighty way once again. A big Thank You to Brian Kelley and Lori Hines and their team of Awesome Servants for coordinating and executing both walks.

As always I am anxiously awaiting what is coming next. Our Fall Lay Directors and Spiritual Directors will be, **Men: Lon Shuler LD and Jeff Woolwine SD, Women: Angela Elder LD and Ernie Elder SD.**

As I write this, I can already feel God at work in the lives of those people as they begin preparing for the fall.

The board is with excitement as we embark on bringing Chrysalis Flights back to life. We have made it a goal for it to happen this fall. At our May board meeting we will be praying about, talking about and voting on who the lay directors will be for Chrysalis.

God's richest blessings on you all!!!

If you are still looking for a reunion group, the best place to start, is to ask your sponsor if they have a reunion group.

If they do, see if you can join. If they do not, talk to them about starting one.

Remember It doesn't have to be an hour long meeting. It can just be a few minutes each week to check in on each other.
